ABOUT US

history

Beginning a long and inspiring legacy, the two brothers Mr Hasan and Mr Habib Mahmood joined together in the late 1930's to establish the Hasan and Habib Sons of Mahmood Group of Companies. For nearly a decade the organization has flourished into a Limited Liability Company that remains a family passion to this day and one of the largest family owned companies in the Kingdom of Bahrain.

our vision

To be the Middle East leader of catering, delivering the highest standards of culinary excellence in the most diverse locations.

To continue to build our strong legacy as a trusted family company and be known as the number one chosen facilitator of turnkey establishments across sectors.

profile

Fine Foods Catering is a subsidiary of Fine Foods, the largest foodservice supplier in the Kingdom of Bahrain and a specialized division of the family owned HHM Group.

The company logo is a seal of trust across all scales of catering, from intimate dinners to industrial turnkey solutions.

COMPANY PROFILE

Hasan and Habib Sons of Mahmood was established in 1940 by two brothers. The late Mr.Hasan Mahmood and the late Mr.Habib Mahmood.

One of the largest family owned companies in the Kingdom of Bahrain. The food industry and offshore supplies has always been the core of the company since the early 1940's. The company is in now managed and driven by the second generation for the past 30 years.

Fine Food Catering has been in the business for over 15 years, specializing in school catering and special projects. In 2004 Fine Foods Catering expanded in to industrial catering in a tremendous way. With its modern kitchen situated in Sitra industrial area, it's proximally to all major locations is ideal.

Fine Foods Catering with its strict hygiene control procedures and continuous health and safety in food handling, professional management and staff has the ability to produce over 30,000 meals a day.

Our strength is that the majority of food and equipment are in house. Hence, control, consistency in quality and competitiveness are our strong points which we pass directly to our clientele. In addition, we can draw from our vast resources from our other divisions within the group in cases of emergencies.

MESSAGE FROM CEO

Welcome! It is with great pleasure that I invite you to Fine Foods Catering and the unique service that we provide.

Our family founded company and loyal team live by the Fine Food Catering values and combine them with our extensive industry knowledge to create an unrivalled experience for a multitude of requirements. We know that fine details are the base of all provision, from 10 person dinner parties to 15,000 personnel camps.

Established 15 years ago as a division of the hugely successful HHM Group, we have considerable in-house resources that enable

us to set up and manage comprehensive catering facilities, no matter how demanding the conditions. Our long history within the industry and broad local knowledge allows us to conceptualize the optimum solution to major projects, comfortably empowering you and your team to focus on your key objectives.

I consider our greatest asset to be our dedicated and professional teams who work tirelessly and diligently to deliver an exceptional service. We believe that communication is key and that enables us to mobilize your requests with incomparable, geographic and technical confidence.

From simple catering solutions to our comprehensive list of additional related services, I am confident that Fine Foods Catering will surpass your expectations. Your success is our success.

FAREED HASAN MAHMOOD

CEO (Chief Executive Officer)

OUR CLIENTS

OUR FACILITY

Any company is only as good as its team and its tools. Fine Foods Catering excels in both, ensuring the finest facilities on the island. Paying close attention to both In-house prep and off-site full scale catering, each set-up conforms to strict health and safety guidelines to ensure all personnel are safe.

Available any time and anywhere we can set up turnkey satellite kitchens, offshore catering provision and specialized storage equipment. Our half and half storage trucks provide secure heating and chilling areas for full catering viability.

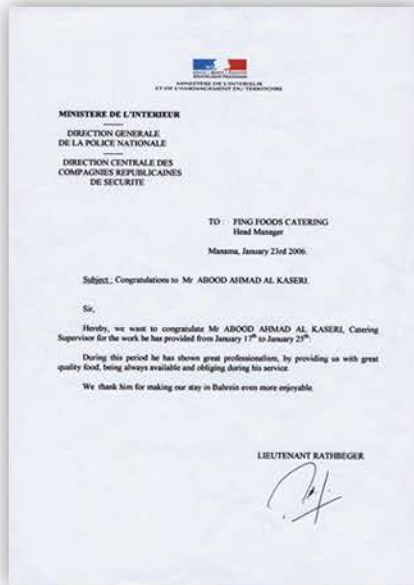

HEALTH & SAFETY PROCEDURES

Fine Foods Catering ensures the highest standards of hygiene control in line with HACCAP program and the continual adherence to all health and safety protocols by a dedicated management team and staff.

The product, quality and delivery of services are key drivers for the company, entrusting the experienced teams to provide clients with a commitment that under pins the company's vision and values no matter how big the contract.

Catering for 1 to 15,000 + people a day, FFC specialize in a wide range of meal requirements and never miss out on a detail which can be attested to by the prospectus of letters of appreciation that have been submitted to the company following stellar service
